

SAN FRANCISCO CHRONICLE NAMES EAST BAY INNOVATIONS A WINNER OF THE GREATER BAY AREA TOP WORKPLACES 2023 AWARD

San Leandro, California July 10, 2023 - East Bay Innovations has been awarded a Top Workplaces 2023 honor by The San Francisco Bay Area Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

ABOUT

Established in 1994, East Bay Innovations (EBI) is a private non-profit organization serving more than 700 individuals with autism and other developmental disabilities in the East Bay. The mission of EBI is to arrange and provide personalized support that enables individuals with disabilities to live in their own homes, work in jobs of their choosing, and feel a sense of membership in their community. East Bay Innovations provides an array of services including Supported Living Services, Independent Living Services, Community Day Programs, Supported Employment Services, and Transitional Care and Case Management. We strive to understand each person’s hopes and aspirations as well as needs for support. We help people strive for independence when possible, and we provide assistance when independence is not possible.
